Lesson Instructions

Language Note: The following lessons are intended to be taught entirely in Spanish for beginning English Language Learners. If your students are more advanced, these same lessons can be taught using as much English as is appropriate.

- **Teach the vocabulary:**

- Distribute the vocabulary sheets. Use a large computer screen or the Quizlet flashcards to teach and elaborate on each vocabulary word in the Milk Parlor Section.
- Have student practice saying the words after you. Then flip the screen for the Spanish (or other language) translation.
- Repeat the term and give feedback until the student closely mimics your pronunciation.

- Watch video about the milking room.

Wrap-Up/What Have Students Learned?

- Revisit the “I can” statements at the beginning of the lesson to determine what students have learned and what they can practice more on their own.

Next Steps for Individual Student Practice

- Teacher can voice record all of the vocabulary associated with this lesson. Have student listen to the recording every day for one week. When student has memorized the vocabulary, have him/her send a voice recording to teacher either using WhatsApp or My Memos. Student could also leave voicemail message for teacher.

Instructor Reflection

- When did students struggle?
- When did students experience success?
- Where to continue for the next lesson?
- Other ideas for the future?
