Part D. Describe Task: You are in the grocery store and are explaining which item you need. Use prepositions/location words to describe which item you would like. You can include other terms to describe the items too, like colors, the type of container and quantities by which it is sold. See if the other person can point to the correct item that you are describing.

 <p>a dozen dinner rolls</p>	 <p>a package of paper towels</p>	 <p>5 fillets of fish</p>	 <p>a bag of chips</p>	 <p>a dozen cupcakes</p>
 <p>a half gallon of ice cream</p>	 <p>a gallon of milk</p>	 <p>a bunch of tomatoes</p>	 <p>a carton of juice</p>	 <p>a box of crackers</p>
 <p>a 2 liter of soda</p>	 <p>a package of cookies</p>	 <p>1 pound of fruit salad</p>	 <p>a tube of toothpaste</p>	 <p>8 hamburger patties</p>
 <p>a package of toilet paper</p>	 <p>a toothbrush</p>	 <p>a 3 pound bag of apples</p>	 <p>a jug of laundry detergent</p>	 <p>a bouquet of flowers</p>

Part E. Describe and Draw- Version A

Task: You are in the grocery store and are explaining which item you need. Describe where these items are to someone else and see if they can put them in the correct spots on their sheet. Then, have them describe their items to you and see if you can put them in the correct locations on your blank sheet.
